Pre Verse-1:

Listen...Take it all back if you want to...cause it won't hurt me anymore. Go ahead and slam that door. I head for the bedroom. Hit the floor.

Verse-1:

I'm so stupid. Shut my mouth. Never speak a word to you again. But I know that's not the plan. People say I'm just crazy. But I just say I'm crazy about you. Look into my eyes and see it's true.

Chorus-1:

One more kiss before you go. Cause it's so hard, when I'm alone.
Please take my hand, we're almost home. Hold on tight. Before we go.

Interlude-1:

Don't give a damn a whatcha think about me. Half of the time, you think I'm wrong and you're right and you think that it's fine? You find it funny? Well I find it kinda sad. It's the truth. Cause all I think about is you.

Don't give a damn a whatcha think about me. Half of the time, you think I'm wrong and you're right and you think that it's fine? You find it funny? Well I find it kinda sad. It's the truth. Cause all I think about is you.

Pre Verse-2:

Always giving up, never really gave a damn. Well game's done, checkmate, now a new plan. I put my pawns back in line and try this one more time. Ya see, everything could be okay in the end...Farewell my friends.

Verse-2:

Your thoughts just seem to slip away. Your lies tell me, that your eyes betray. But I can't seem to just walk away. Now that time has mended everything for you...So come on baby, does it make you feel better to know you made it through?

Bridge:

But it's like I'm going back on everything, and thinking I can't ever make a difference. Wishin and wantin but I'm always keeping secrets. So I sit back and think of the time when I knew it was true. Drop dead...always thinking of you. But as the lights turn off and I can see so clear, hell all I wanted was to shed all this fear. So I grab a gun made for two, always thinking of you...but now I'm left screaming...

Chorus-2:

One more kiss before you go. Baby I know that it's hard, but please don't leave me alone. And I know that this pain it can take a toll. Hold on tight. Before we go.

Interlude-2/Outro:

Don't give a damn a whatcha think about me. Half of the time, you think I'm wrong and you're right and you think that it's fine? You find it funny? Well I find it kinda sad. It's the truth. Cause all I think about is you.

Don't give a damn a whatcha thought about me. Half of the time, you thought I'm wrong and you're right and you thought that it's fine? You found it funny? Well I found it kinda sad. It's the truth.

Cause all I thought about was you.
