**Verse-1:**

I spent most of my days, watching you catch those rays.  
You sat by the beach side, as the sun it hit your face.  
I can still remember how she looked at me that day.  
I loved her with all my heart, and how much I miss those days.

**Chorus-1:**

And no, no, no, I'm not the same. But that's okay, because I'm better off this way.  
And despite what I may think or say, I know I'm better off this way.

**Verse-2:**

I spend most of my days, wiping these tears away.  
You spend most of your time, thinking it's better this way.  
But was it so hard to put my feelings into play?  
Well I guess all those lies you told, they came straight from your heart that day.

**Chorus-2:**

And no, no, no, I'm not the same. But that's okay, because I'm better off this way.  
And despite what I may think or say, I know I'm better off this way.

**Bridge / Chorus / Outro:**

So long ago, Oh' no, no I dreamed of these days with you.  
And if I had them all back, I'd trade em all away, cause I'm not the same, but that's okay.  
Because I'm better off this way.  
And despite what I may think or say...I know I'm better off this way.  
Oh' I'm not the same but that's okay.....I know I'm better off this way.
